

To use an existing job as your required internship credits:

- x An initial conversation must be had with the Tabor Internship Coordinator to gain approval.
- x You must have a supervisor at the site who can serve as your coach/mentor throughout the internship. Your supervisor cannot be an immediate family member.
- x Your internship duties/scope of work must not be directly related to your current job duties/scope of work and must align with your major and associated learning objectives for the internship.
- x
