$\frac{3}{4}$ Spring On-Campus Meeting

x Friday–Saturday, April 17-18, 2020 ****UPDATE 13-20: the spring on campus meeting has been cancelled. Please plan to participate in the April conference call and we will discuss future plans.****

x Becky sent out a survey looking for input on activities and possible visits. Top answers were mixer/panel with students, meeting/eating with faculty, and Administration presentations.

x It was suggested that since such a high percentage of Tabor students are also athletes, it might be beneficial to hear from Athletic Director Craig White.

x It was suggested that we invite all Tabor faculty to the DBC business meeting so that they know what we are working on and can give us their insight.

x Becky suggested that the Tabor Student Advisory Council can help us plan an event with students.

x Dressing down was discussed again. Becky mentioned that the Tabor

retreats—something similar would work well for this. Most DBC members should have a Tabor shirt, and now, the Tabor Student Advisory Council is offering Tabor-branded shirts now! Becky will send out the order form.

x More information & details about the agenda will be sent in early April. If you have questions or concerns in the meantime, please contact Becky or Najiba.

UPDATE-3-20: Next conference call: Monday, April 9, 2020 at 2:00 PM CST.
